

Symbiotic AI Assignment

The three websites that Symbiotic AI should benchmark against are:

1. <https://www.pathai.com/>
2. <https://www.tempus.com/>
3. <https://www.aidoc.com/>

Websites	Pros	Cons
Pathai	Very nice animations on the landing page and throughout Good Visual Hierarchy Very responsive on mobile apps Very smooth and fast Very clean cards	No dark mode, Not easy on the eyes
Tempus	Very cool transitions overall Very responsive on mobile app. Hamburger menu works well	Colour contrast could be a bit better
Aidoc	Responsive on mobile Great use of the dropdown menus Exploring the app is fast!	Landing page should be more appealing. Can be a bit overwhelming for a new user
